May 2021

Dear Sharing Friend,

“The Children’s Defense Fund’s recent annual State of America’s Children® report showed again this year that children remain our poorest age group and that children of color and our youngest children suffer the highest poverty rates. **Shame on us...**”*

These children have always been Sharing’s children; children from economically poor Black families in the rural south. As most of you realize, the funds we send to organizations in the south come from our annual Good Friday Walk. For the second year in a row, the Covid 19 lockdown has prevented our “usual” version. That day my heart was so heavy; this was to have been my 50th Walk. Throughout the entire day I was consciously aware it was Good Friday, I prayed and prayed the serenity prayer.

“Lord, please grant me the serenity to accept this reality which I cannot change.”

I appreciate each of you who have generously given your financial support over the years. I pledge to continue Sharing’s ministry as long as I’m able.

For all that is, has been, and will be, I give thanks and praise to God!

Shalom,

A handwritten signature in cursive script that reads "Kay Doherty". The signature is written in black ink and is positioned below the typed name "Kay Doherty".
